

Families,

What happens when you merge the largest and best run AAU organization with one of the most talented and successful AAU organizations around?

Well, your about to find out.

This year, these two powerhouses have merged into one of the largest, most talented, well run basketball program's there are, and the sky's the limit.

As a partner with Adidas we are one of the true shoe circuit programs in Ohio, positioning our top players to play on the circuit and providing exposure to all our players for collegiate opportunities.

We also provide our Select Teams opportunities to play on the NY2LA and Prep Hoops Circuits.

Along with these circuits we provide our youth teams with tournament exposure appropriate to their level of play. We believe 6-7 tourneys is the right amount of tournaments. Starting in Mid-March we will play through May for grades 3rd-8th.

HS teams will play April- July, taking June off for HS team play.

TRYOUT STRUCTURE

Step 1: Tryouts take place and an initial evaluation will be given. You are welcome to attend as many tryouts as you like for better analysis.

Step 2: The coaches will take 3-5 days to process the evals and begin sending offer contracts. These offers will come through the system in which you registered. Once you receive that offer you have 48 hrs to make a decision, before we will cancel that offer and move to the next player. We ask that if you are not interested in the offer that you decline it as a courtesy for us to know your intentions.

Step 3: Offer accepted and you will be required to pay a deposit to secure your spot. Accepting the offer with no deposit DOES NOT secure a spot.

Step 4: Your spot is secured, next step is the fitting night in January.

Declines and Spring tryouts:

If no offer given you will be notified as well. It doesn't mean that you won't receive one, we may have decided to pause on building teams at this point and wait to add the final players in the Spring Tryouts. Please attend those tryouts, as there will still be 40% of the spots still open.

D-LEAGUE

We have created a D- League for those players who do not make a team to allow them to continue playing and training with our trainers for 8 weeks during the spring, it is also a great way to allow dual sport players an opportunity to play.

FEE STRUCTURE

\$875 for 7th-HS

\$825 for 3-6th grade

To include:

- Gear Package: Adidas Uniform set, Shooter Pullover, Practice Jersey
- Practice Time
- Tournaments
- Paid coaches
- Paid Administrative staff that handles all logistics
- Paid trainers for tryouts and skill nights
- Additional costs: Insurance, Website, League Apps Platform

*Please keep in mind all gym space, uniforms and tournaments have raised prices to account for inflation, so we are adjusting.

*We are not apples to apples comparison to most AAU programs, so please do not compare what we offer to a normal programs offering. We are closer to the offerings of a baseball, softball, soccer, volleyball offering with how we are structured, how we train, and how we pay coaches.

Those sports are \$1500-\$2500, travel basketball is considered the "cheap sport", because most programs offer cheap solutions and service. We offer payment plans, and we also understand if you don't see the value in investing in having organization, communication, good coaching. Along with a safe and family culture. We provide top of the line gym space for your kids to practice.

Ask yourself... why do 65 HS coaches, 15 D3 college coaches and 800 families stay with us for 15 years?
